Professor of Political Science, Sciences Po (France)

June 2023 -

Laura Morales is Professor (*Professeure des Universités*) of Political Science/Comparative Politics at Sciences Po (Paris, France) and has a PhD in Political Science. She has more than 20 years of professional experience as a university researcher and lecturer specializing in comparative politics, democratic governance and representation, and in the study of the civic and political inclusion of ethnic and migrant minorities in Europe, as well as of citizens with other protected characteristics. She has published extensively on the integration and inclusion of ethnic and migrant minorities from a political science and political sociology perspective. She is an expert in cross-national survey research on ethnic and migrant minorities in Europe as well as, more generally, of survey research. She has led a large network of
